## **AGILITY CLASS SAFETY RULES, CLASS POLICIES & PROCEDURES**

### **PLEASE READ CAREFULLY!**

**ENTRY GATES** - Agility students are welcome to park near the agility field. To enter the gates, press the black button to open & press the button again to close the gate once you have entered. The gate **DOES NOT** close on its own. To protect all of the dogs on the property, the security gate **MUST** be kept closed at all times. Failure to close the gate will result in rear parking privileges to be revoked.

**AGILITY FIELD**- Only one (1) handler per dog will be permitted on the Agility field at a time. You are welcome to put folding chairs on the outside of the field to watch. You are also welcome to change handlers during class.

**AGILITY EQUIPMENT**- The agility equipment is only for use by agility students. Please **DO NOT** allow your guests to climb, play or use the equipment without instructor approval.

***\*AGILITY EQUIPMENT NOTE\*\*** Students may not use equipment that the trainer has not given specific instruction for. For the safety of ALL dogs, anyone found using/adjusting equipment (this includes jump heights) without prior instruction will be dismissed from class. Repeat offenses will result in being removed from class without refund.*

**ABSENCES/MISSED CLASSES**- One (1) Make-Up class is available **AT NO CHARGE** to anyone that needs to miss a class for any reason. To be eligible, 24-notice of absence must be given. You can give notice by calling (832)266-3247 or by emailing [Rebecca@myk9trainer.com](mailto:Rebecca@myk9trainer.com) to notify of an absence and schedule your make-up class. **No call (email)/ no shows:** there will be a \$25.00 charge to schedule a 30-Minute Make-Up class.

**RAINOUTS / CLASS CANCELLATION**- Heavy rain and other adverse conditions may require that a class be cancelled or rescheduled. A basic guideline would be that if there has been rain with 12-hours of class, or if there is a chance of rain great than 50%. To verify that a class will/will not be held, please call (832)266-3247. A message will be posted no later than 1-hour prior to class indicating a cancellation of class. ***It is the students responsibility to verify that classes are being held/cancelled.***

**DISCIPLINE**- Agility is taught using positive reinforcement. At no time will physical discipline be used to correct a dogs behavior. This will include but is not limited to an physical discipline such as hitting, pushing or shoving a dog. Corrective devices such as shock collars, pinch collars and choke chains are not permitted on the field. Martingale collars are acceptable.
